O R D E R:

In G.O.Ms.No.2891, Development, dated 25.7.1950, the Government have approved the proposal of the Registrar of Cooperative Societies to permit Motor Transport Cooperative Societies for ex-servicemen to undertake passenger transport and for converting the appropriate number of lorries of the Societies into stage carriages for the purpose. The Government consider that it is desirable to encourage such societies having regard to the need to re-settle ex-servicemen in civil life. The Central Road Traffic Board is accordingly requested to instruct the Regional Transport Authorities to pay due regard to the need for rehabilitation of ex-servicemen, while dealing with applications for stage carriage permits from the Motor Transport Cooperative Societies for ex-servicemen.
